

PLEASE HELP THE DRIVER

Customer Name & Delivery Address:	
Telephone No: (Home)	(Work/Mobile)

How do we find you? (Please direct us from your nearest main road or high street only)

The Town or village to aim for is

The nearest main road is

When you get there, look for
(Landmark, such as a public house or school)

and then

.....

.....

PLEASE MAKE A SKETCH BELOW:

Are there any low bridges, narrow bridges, or very narrow roads between the main road and your property? YES/NO

If YES, please indicate on the sketch above.

Please Turn Over

Roughly how far is it from where we can park our lorry to your base?

- Less than 25 yards
- 25 to 50 Yards
- More than 50 Yards

Please note, our price includes delivery up to 25 yards or so over a reasonable surface. We must stress that our Drivers are not allowed to offload if they do not think it is safe to do so.

If the distance or the conditions prove to be very difficult from what you tell us here, we may have to deliver to the nearest reasonable place, or charge you extra.

What is the surface?

- | | | | |
|-------------------------------|-------|---|-------|
| Tarmac/ Concrete | | Is it very steep? | |
| Block Paving / Slabs | | Are there any steps? | |
| Gravel/Hardcore/Rubble | | If Yes, how many ? | |
| Grass/Mud | | Is there a gap less Than 4ft wide? | |

Please note that due to Health and Safety regulations our garage erectors are not allowed to carry the garage panels up steps – please telephone the office for more information

Please make a sketch below showing what's between the lorry and base:
